MARINE WILDLIFE CODE

1. Check local weather and sea conditions before taking into the waters.
   - Do not damage or remove corals, shells or any other sea flora and fauna.
2. Do not sell shells and other marine life products or souvenirs as this encourages further destruction of sea products.
3. Do not dispose of litter on the beach or in the sea.
4. Hand fishing is prohibited. It disrupts their normal feeding patterns.
5. Follow good practice dolphin and whale watching protocols.
6. Do not interfere, feed or touch the marine life.
7. All KWS parks, reserves and sanctuaries are SINGLE USE PLASTIC FREE ZONES.

KEY ATTRACTIONS

Malindi Marine National Park & Reserve was the first Marine Protected Area to be established in Kenya in 1968 and was designated as a Biosphere Reserve under the Man & Biosphere programme of UNESCO in 1979. The Park is located South of Malindi town from the famous Vasco Da Gama Pillar and extending to Watamu.

The Park is well endowed with a variety of unique natural resources such as: mangrove wetlands, coral gardens in the lagoons, sea-grass beds, mangroves, mudflats, and a high diversity of fish and marine mammals. These include; humpback dolphins, sea turtles, and shore birds. Among these bird species found in this marine park are; reef fish, sweetlips, surgeon fish, butterfly fish, damsels and parrotfish. Local fishermen benefit from Artisanal fishing for their livelihoods.

Other natural and historical attractions around are the mangrove forest and the Vasco da Gama pillar. The Malindi nightlife is also a great puller of adventurers to the Coastal town.

Swimming in the crystal-clear warm waters of the Indian Ocean, visitors can also enjoy & undertake recreation activities in this veritable paradise including glass bottom boat rides & tours, bird-watching, camping, scenic viewing, snorkeling, scuba diving, sun bathing, beach walking, reef walks, picnicking, island barbecues, weddings and filming in and around the garden. Various water sports that visitors can partake include; sailing, windsurfing, kite surfing, kayaking and jet skiing. This beautiful slice of Kenya’s Indian Ocean coastline provides the perfect getaway for relaxation.

Conferring Facilities: - A resource center with a conference hall up to a capacity of 50 people with audio visual equipment. There’s also an education facility that features informative posters on display for visitors’ free access.

Visit the coral garden to see tropical fish in their natural environment. A trip to the famous Sardinia Magical Island where you can have barbeque, fresh seafood for your lunch is a must.

INTRODUCTION Accommodation

Malindi also offers self-contained cottages that are comfortable and cost-effective with a spacious dining hall, kitchen can be hired for self-catering services or with our service cook.

ACCOMMODATION

Stay in the Wild, explore, create memories

Set in the quietude of nature, KWS offers a modest and wide range of self-catering accommodations targeting budget travelers. Whether you are looking to get away from the daily grind of life, away from the hustle and bustle of life in the city in the serenity of the bush, or just to soak in your senses and reconnect with nature, KWS bandas and guesthouses offer the perfect ambience.

On the leeward side of the north reef which has a low coral cover, large schools of Barracuda and the occasional reef shark are a common encounter as well as large Rays that feed on the bottom. Whether snorkeling or scuba diving, you are sure to marvel at the underwater beauty and may just bump into other regular visitors who include sea turtles feeding on the thalassic beds and dolphins feeding on shimmering schools of sardines.
